

ABOUT THE U.S.
AIR FORCE ACADEMY
(July 1959 through June 1961)

U.S. AIR FORCE ACADEMY LIBRARY

Special Bibliography
Series No. 18

NOVEMBER 1961

This bibliography, which is the third in the series pertaining to the United States Air Force Academy, is principally concerned with references during the period July 1959 through June 1961. It does include, however, citations prior to that period, which for various reasons were unavailable for inclusion in the earlier bibliographies.

Although pertinent data from Air Force directives have been compiled, no attempt has been made to include the various staff and administrative publications of the Air Force Academy, or of the Cadet Wing. Also excluded are references to the numerous newspaper articles of the four daily newspapers in the Colorado Springs-Denver area.

The following order has been used in arrangement of the references, except for the first subject:
Publications of the Cadet Wing:

- a, Air Force Directives (AFR 0-2, dated 1 March 1961)
- b. Books and Pamphlets
- c. Government Documents
- d. Newspaper and Periodical Articles
