SEPTEMBER 1968

INTRODUCTION

This bibliography, prepared for the Department of Psychology and Leadership, represents a selected portion of the holdings of the Air Force Academy Library in the subject areas of Sociology, Anthropology, Civilizations and Ethnology. For materials published after the date of this bibliography, consult the monthly list of Selected New Books at the Academy Library.

For the purposes of this bibliography, the following definitions of Sociology and Anthropology are used:

Sociology:

Knowledge of society, the traditional focus being the social structure of contemporary civilization.

Anthropology:

The study of human variation in primitive and contemporary societies.

(Carl M. White et al. Sources of Information in the Social Sciences. New Jersey: Bedminster Press, c1964.)
