### INTRODUCTION

The Directorate of Academy Libraries is pleased to present this 91st issue of the Air Force Academy Libraries' Special Bibliography Series. It was prepared by Ms. Frances Scott of the Library's Reference Branch. Most of the book titles in this highly selective bibliography were published in the last ten years; most of the journal articles, report literature, and government documents in the last five. All are available in the Academy's Academic Library.

This bibliography was developed to support the 39th Air Force Academy Assembly sponsored by the Academy's Department of Political Science and entitled: *China - U.S. Relations in the 21st Century: Fostering Cooperation, Preventing Conflict*. The Academy will welcome approximately 90 to 100 delegates, representing about 80 colleges and universities, to the Assembly on 18 - 21 February 1997.
